- Dr. Siti Noormi Alias - *Human Resource Development*
- Dr. Nur Aira Abd Rahim – *Adult Education & Adult Learning*

### Programme Objective:

Human resource development, extension and continuing education programmes are important for nation development. The aim of this research programme is to provide significant findings on issues pertaining to developing quality human resource. Quality human resource, educated through adult, extension and continuing education, are needed to propel nation development. The research programme focuses on the process of enhancing learning and performance in individual, group, and organizational contexts through extension and continuing professional education, career development, training and development, organizational development, community development and lifelong learning. The research provides stakeholders with continuous assessment of the nation

human resource performance and justifies the billions of dollars invested on the education of the nation human resources.
