

# BULETIN EDUC (1/2014)

-----Faculty of Educational Studies, Universiti Putra Malaysia-----

## STUDENT INTAKE 2014

### Post graduate:

UPM currently has the highest percentage of academic staff with PhDs in Malaysia. The university's varied programmes, as well as its facilities and conducive learning environment, has attracted students from more than 80 countries to pursue their postgraduate education here. The School of Graduate Studies now offers more than 250 fields of study, offering internationally recognized academic programmes at Master's and PhD levels.

As Faculty of Education continues to play a vital role at UPM, the number of students enrolled for postgraduate study at faculty has also shown a marked increase. From 2010, the total number of student enrolment has increased. As of the first semester of 2014, faculty now has a total number of 1,017 postgraduate students, and 156 of which are international students from more than 20 countries.
